

BE A PART OF THE SR SUNTOUR TEAM!

JUNIOR MECHANICAL ENGINEER (m/w/d)

Zola Predosa (Bologna - Italy)

SR SUNTOUR is an industry-leading bicycle component company specializing in the development and manufacturing of suspension, drivetrain, and e-bike systems. We focus on bringing reliability, serviceability, and value to our entire range of products which are designed for beginner riders, professional cyclists, and everyone between.

***WE CONTRIBUTE BICYCLE PARTS WHOLEHEARTEDLY
AND WITH PRIDE TO SOCIETY***

Since our humble beginnings in 1988, our company has grown into one of the world's most recognized bicycle component brands. Today we own and operate 4 factories, maintain corporate regional headquarters, and have a worldwide network of 56 distributors across 44 countries servicing hundreds of brands, thousands of retailers, and millions of cyclists annually.

SR SUNTOUR's success would not be possible without our team of skillful and dedicated employees. While we are happy to celebrate our successes we never stand still as we are tirelessly shaping the future of cycling. That's where you come in.

JUNIOR MECHANICAL ENGINEER (m/w/d)

Zola Predosa (Bologna - Italy)

- Prepare technical drawings of new products or parts (2D)
- Designing and developing prototypes of new products or parts
- Build prototypes using internal workshop machines / tools
- Test the products and prototypes in the field collecting and analyzing data
- Collaborate with external laboratories for testing products
- Collaborate with internal R&D departments (Taiwan, Germany, Italy) to facilitate communication between different offices

REQUIREMENTS

- Bachelor's degree in mechanical engineering or related field
- Knowledge of 3D CAD tools (preferred Siemens UG or Solidworks)
- Knowledge of tools for Stress Analysis (FMEA) [desired]
- Able to use turning and milling machines [desired]
- Passionate bicycle rider and passionate of bicycle world
- Adaptability and strong problem-solving skills
- Good English communication skills
- Good knowledge of Italian language [desired]
- Willing to travel abroad also oversea
- Ability to collaborate with others within the company and externally

BENEFITS

- Contract according to National Contract of Mechanical Industry
- Remuneration adequate to the actual abilities of the candidate
- Meal vouchers

JUNIOR MECHANICAL ENGINEER (m/w/d)

Zola Predosa (Bologna - Italy)

Joining the SR SUNTOUR team will provide us both with the opportunity:

TO BOND

A global presence can only be realized through the success of local teams. Joining SR SUNTOUR is an opportunity to become an integral part a professional and enthusiastic team in a pleasant and familial atmosphere. It is also an opportunity for us to diversify, to welcome a new perspective, and to share our passion for our work and our products.

TO GROW

The exchange of knowledge can be the most rewarding part of teamwork. While we will rely on your expertise to help us improve and grow our products and processes, it is also an opportunity for you to learn from our team of experts who are a wealth of knowledge and inspiration.

TO CHALLENGE

Our customers constantly challenge us to improve our products. When they push our components to their limits, they inspire us to push ourselves. We will challenge you, your skillset, and your knowledge, and humbly ask that you do the same to us in return. This is how, together, we will bring SR SUNTOUR to new heights.

TO THRIVE

The word „sustainability“ gets thrown around a lot these days, but to us it means much more than just our dedication to the natural environment. Our concept of sustainable employment means offering a positive, progressive workplace with open communication, fair wages, and a focus on work-life balance in support of long-term professional relationships.

Do you want to become part of the SR SUNTOUR team?
